

Virtual London Monopoly Run

Race around London, visiting each of the 26 Monopoly properties (excluding Electricity and Waterworks), by clicking on the Google Maps link (or Copy and Paste in to a web browser)

At each property you will need to identify the i) Monopoly Property Name ii) Monopoly Property Colour iii) Monopoly Property Purchase Price and iv) answer the question.

Notes

- Answer to the question is in the picture displayed after clicking the link – you should not need to move left/right/up/down, however it may be necessary sometimes to zoom in.
- These Monopoly Properties do not exist, so their equivalents as listed have been used
 - Bond Street is New Bond Street
 - Mayfair is not a street but a location between Piccadilly, Regent Street, Oxford Street and Park Lane
 - Marlborough Street is Great Marlborough Street
 - The Angel Islington is on Islington High Street
- Monopoly Property Name / Colour / Purchase Price has been sourced from Wikipedia

Coded Anagram

After identifying each property, arrange the property questions in the order they are found on a Monopoly board after “Passing GO”. Using the below table, swap the reordered property questions letter (top row) with the anagram letter (bottom row).

A	B	C	D	E	F	G	H	I	J	K	L	M	N	O	P	Q	R	S	T	U	V	W	X	Y	Z
M	C	U	L	A	A	P	E	R	R	R	F	S	P	T	R	Y	O	A	S	C	8	A	T	D	H

Example: If you think the property order starts M, O, R, G then this would give anagram letters of S, T, O, P

When translated, insert a space after the 4th, 7th, 13th, 15th and 18th letter to give a topical 6 worded phrase.

Scoring

1 point for each correct answer – maximum of 4 points per property

6 points for the coded anagram

Maximum Score possible is 110
